# IMORI 201

presented by IMAI YOU

At dusk, the room is wrapped in light and shadow.  
And in it, there is a deadbeat in rugged sailor uniform.  
I'd rather be bare naked  
than wear cute clothes to pretend.  
One is a JK, as long as dressed in uniform.  
It's too lonely to be a N.E.E.T.  
So I'll be a deadbeat in the sailor uniform.
